

The Max L. Dawdy Guernsey Scholarship

The Max L. Dawdy scholarship fund was started by Western Guernsey Sires, a cooperative of Guernsey breeders in the West dedicated to identifying and sampling superior Guernsey young sires. It was due to Max Dawdy's efforts as Executive Secretary of the American Guernsey Cattle Club that the AGA Young Sire Program was initiated. Western Guernsey Sires was the first operational unit in a program that would develop four independent sampling groups. It is to this man and his objectives that the scholarship is dedicated.

The scholarship will be awarded annually at the National Youth Banquet in the amount of \$750.
